Jubilee Memories

Jubilee is a time of celebration, renewal and new life! We encourage you to assist us as we compile our history.

Is there a highlight(s) of your time as part of St. Elizabeth Parish?

Do you remember something humorous or unique that you would like to share with your fellow parishioners?

Is there a priest, religious, or lay staff member that you remember with fondness and why?

Is there an event that stands out as your favorite event in our parish history and why?

When did you join the parish? _____

We are looking for input from members of our parish community. Please feel free to share this with others and to use the back of this sheet if needed. We are also looking for photos, programs, memorabilia, etc., which will be borrowed by the Parish so we can use them for displays, scan them for the website, the jubilee journal and the bulletin. Items you may wish to lend can be brought to the Parish Center.
