*A welcoming and interactive environment to foster the spiritual and moral growth of our young people.*

PARTICIPATION POLICIES – SPRING 2011

*The program is designed to offer catechesis, opportunities for prayer and hands-on experiences for students in 7<sup>th</sup> & 8<sup>th</sup> grades. These classes will meet in the Center on Thursday evenings (7:15 to 8:30 pm).*

*Your enrollment in the Center-based program indicates that you agree to the following policies:*

*Students with more than 4 absences will be contacted and may be required to make up lost work.*

*An absence note is required upon return to class. If a student must leave prior to the end of the session, an Early Withdrawal Form must be completed by a parent, and authorized by a Coordinator or the Director and given to the catechist at the start of the session.*

*Additional grade-level meetings will be offered throughout the year for parents & youth.*

*Upon completion of the 8<sup>th</sup> grade, students will be assessed as to their readiness to receive the sacrament of Confirmation. The pastor will determine which students are in need of further formation.*
